Dear Business Owner,

For over 50 years, the Junior Auxiliary of Crittenden County has been dedicated to providing community services with an emphasis on helping the children of our community. A non-profit organization, the Crittenden County Junior Auxiliary is composed of women from within the community who focus their energy on helping many families, most importantly children, in different ways. Through our many service projects, we have been able to touch the lives of countless children. Our motto is “Caring Hearts – Helping Hands – Changing Lives”— through our work, we aim to make a difference in the community.

On April 11, 2026, JACC will be hosting a Golf Tournament and a cocktail hour at Brownstone Country Club in Marion, Arkansas. Golf tournament entry costs are \$100 per person, or \$400 per team. To purchase your team, you can:

- Reach out to any JACC member
- Send us an email @jacccrittco@gmail.com
- Send us a message on Facebook

Those who are unable to compete in the tournament can still help by sponsoring the event. In the past, business owners just like you have helped us to raise over \$20,000 each year. Last year’s golf tournament and banquet helped us raise enough funds to provide 275 students with clear backpacks needed for school, as well as 100 warm winter coats and meals for families in the area, plus much more.

If you would like to sponsor, I have attached our sponsorship forms to this letter for your convenience. You can contact any JA member with questions or completed forms, and we can pick it up for you!

There are many programs throughout the county that would not be possible without the generosity of businesses like you. This year, we hope to make even more children’s dreams a reality. Please feel free to contact Junior Auxiliary with any questions you may have.

All donations are tax deductible, please reach out to a JACC member for a donation receipt.

Thanks,
Junior Auxiliary of Crittenden County
